# Fix and spread your servicing costs to maintain your cashflow

The Mercedes-Benz Vans ServiceCare Maintenance Plan allows you to spread the cost of up to 6 services over a period of 48 months without extending your credit lines. It works out cheaper than booking individual services – and if you arrange your plan before your van is three months old, you'll benefit from our most competitive pricing. Our whole servicing team is here to help you maintain momentum – talk to us today.

## Fix your servicing costs with the ServiceCare Maintenance Plan

- **Spread the cost** of up to 6 services over 48 months without impacting on your credit lines
- **Flexible payment options** – pay by monthly Direct Debit or in one upfront lump sum
- **Save money** – paying for servicing in advance costs less than buying them individually
- **Maintain performance** – ensure your van is cared for by Mercedes-Benz Van technicians fitting only Mercedes-Benz GenuineParts
- **Free roadside assistance with MobiloVan** for up to 30 years when regularly servicing your van with the Mercedes-Benz Franchised Dealer Network\*\*
- **Fix your costs at today's parts prices** and protect against rises and inflation.

"When you're running a business you don't need any extra hassle or worry. Our vehicles are maintained to the highest standard by factory-trained technicians, fitting only Mercedes-Benz GenuineParts."
